MEMORANDUM

From: Justin A. Myrick *JAM*  
Health Systems / ISYE 0205

Re: Fixed Price Agreement E-24-518 (Central Health Services)  
FINAL PROJECT REPORT (Internal Requirement Only)

cc: ISYE (Trudy Cron, Pam Wade)

The above agreement with Central Health Services ended on January 4, 1996 as specified in the agreement. The original agreement along with Modification No. 1 called for the placement of Stephanie Ross as a Sponsored Extern at Central Health.

There were no deliverables associated with this agreement. Ms. Ross performed satisfactorily at the site.

This memo constitutes the requirement for the internal Final Report. I might also point out that there have been no final report requirements associated with these fixed price agreements. This requirement from OCA was probably a mistake.

Please contact me if other information is needed or desired. Thanks for your efforts in handling this account.
